ABN: 72058001575

A few pointers to help you get started this season –

### Game Day

- Please arrive at least 10 minutes before your game commences to report in
- Sign-on sheets are in the umpire area
- Be dressed, ready to take the court for the pre-game preparation:  
Check the court, the player's nails & jewellery, players uniforms (are the same) score sheets, ball & post protectors
- Put sunscreen on, (available in the umpire area)
- Check court allocations before each game to ensure there have not been any changes. This is due to walkovers and other such events occurring at the last minute
- Once you have completed all your rostered games, you can collect your pay from the control box

### What to wear

- ✓ Clean and neat
  - white skirt/shorts or trackpants/leggings
  - black WDNA branded leggings can also be worn (available from our online shop)
  - plain white or WDNA shirt (no club shirts)
  - plain white windcheater/jacket
  - white socks and appropriate footwear
- ✓ Your WDNA sun hat
- ✓ White, waterproof jackets on wet/cold days

Please note: No scarves or winter hats to be worn.

### What you need

- A finger grip whistle and rulebook (available from Umpire Supervisor)
- Something to keep track of whose centre pass is next, (e.g. a hair tie)

### Unable to attend rostered game

If for whatever reason you are unable to umpire on a given Saturday, please let us know as soon as possible, at least by Thursday 7pm.

If you are unwell, please do not leave it to the last minute as we will need to cover your rostered games with other umpires.

If you know you are unavailable in a future week, please write it in the communication book in the umpire area the week before.

### Need help

If you experience any problems on court or with spectators, ask for help from one of the coaches/supervisors, or send someone to get you help from the control box.

Thank you for being part of our umpire team and we hope you have an enjoyable season.
