*my*netball
Cheat Sheet

STEP 1

Select Reports from the main menu

TEAMS PROGRAMS WEBSITE REPORTS
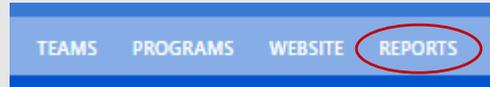

STEP 2

Under Competitions heading select 'Matches Played'

Reports

Competitions
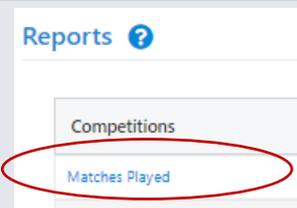

Matches Played

STEP 3

Confirm filtering fields are for the current season. Under 'Grade' select 'All Grades' to show games played for all club players.

Matches Played

Season   Grade
2019 Spring   ALL GRADES

Date From   Date To
1/01/2019   31/12/2019   Go
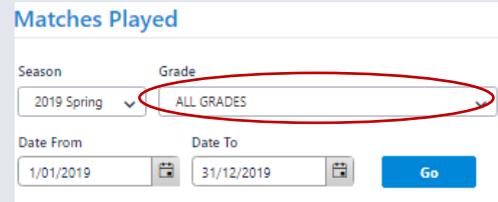

STEP 4

Select the download button to open the data in excel. The spreadsheet shows games played data for all club players, including records for players who played up for other teams and the sections these games were played in.

⬇ Download

NOTE

You can also select one team at a time to review games played, however this will only show games played in that selected section. It will not include fill in games for that player.
