### **WDNA 50 - Representative Teams Selection Policy**

Issued:

Updated:

October 2023

#### **Policy Objectives**

The objectives for this Policy are to ensure that we:

- Maintain a transparent and independent team selection process ensuring equal opportunity exists for all WDNA players.
- Recognise talent, performance and potential for growth and development.
- Commit to selecting players and teams within each age group to maximise each team's likelihood of success.
- Meet our responsibilities to recognise, foster and develop players who strive to play netball at a district, regional, state or national representative level.

For the purpose of this Policy, the WDNA accepts that all players:

- Wish to play in a team and against teams of similarly skilled players and ability.
- Understand that team selection decisions are focused on maximising the performance of each team and development of players.

#### **Process & Timing of WDNA Representative Team selection trials**

- a. Players are invited to attend WDNA Representative Team selection trials, twice per year (once for each season).
- b. Current players are sent an invitation to register for the trials.
